AgriECVET MOU 2017

1. Objectives of the Memorandum of Understanding

The Memorandum of Understanding¹ (MoU) forms the framework for cooperation between the competent institutions. It aims to establish mutual trust between the partners. In this Memorandum of Understanding partner organisations mutually accept their respective criteria and procedures for quality assurance, assessment, validation and recognition of knowledge, skills and competence for the purpose of transferring credit.

Are other objectives	□ No □ Yes – these are:
----------------------	----------------------------

1) Number of students provided for partners:

a. Each partner is committed to provide **8 students or more** for the courses abroad organized by partners per year

2) # Courses:

Plan **one** course per year with all relevant course material in accordance with agreed standards and deadlines.

3) Modules:

For the first round of courses (i.e. pilot phase in AgriECVET project), it is decided that the following courses will take place in **March 2017**:

- a. Feeding, feed production & grazing @ Groenhorst, the Netherlands;
- b. Integrated Pest Management @ Bygholm, Denmark;
- c. Hoofcare @ VABI, Belgium;
- d. Marketing of agricultural products @ Lentiz, the Netherlands;
- e. Organic farming @ HBLA Ursprung, Austria;
- f. Entrepreneurship @ Lena-Valle, Norway.

After the pilot-phase (2017-2018), each partner publishes their course for the following year during the summer holidays at the latest. Decision to run the course is made based on the number of student applications for each course (min. number).

¹ For more information and guidance on the establishment of a MoU please refer to the ECVET User's Guide: 'Using ECVET for geographical mobility (2012) - Part II of the ECVET Users' Guide - Revised version – including key points for quality assurance' – available at: http://www.ecvet-projects.eu/Documents/ECVET Mobility Web.pdf

This project is funded by the European Union

4) Responsibilities of sending organization

- a. commitment to agreed deadlines for planning and running of courses;
 - i. promote courses, inform students and run an student application procedure before deadline (2016-2017: before October 1^{st.} 2016).
