

Your name:

Your school:

Country visited:

Module:

	<p><b>Evaluation for students:</b> Please use one these smileys in front of each answers.</p>
	<p>How did you like the preparation in home country?</p>
	<p>Were you satisfied with information that you got beforehand; something missing.</p>
	<p>Your comments about travel arrangements?</p>
	<p>Your comments about accommodation?</p>
	<p>Your comments of local subsistence; like food etc.</p>
	<p>What was the most interesting thing that you learnt during these four weeks?</p>
	<p>What was the most interesting thing you have met in the day-to-day life in the visited country?</p>

	What sort of differences compared to your own country did you observe during the visit?
	Your best memory?
	How did you feel?
	Would you like travel again if possible during your studies or private life?
	How did you like the programme of the course?
	Would you like to say something about the practical arrangements or preparation of the trip?
	What is your overall opinion of the trip?
	Did you achieve learning outcomes?
	How did you like interaction/relation with fellow students.
