Meals

All food will be provided.

The accommodation in The Netherlands is self catering, which means that you will prepare your meals yourself in the kitchen. The necessary shopping will be organised for you.

Breakfast will be at your accommodation.

Lunch will be a "packed" lunch to be prepared by yourself and taken with you to school or to your work placement.

Warm evening meals will be eaten together with the other students at your accommodation and will be prepared for by yourself.

During activities other eating arrangements may apply. You will be told in advance what these arrangements are, if there are any changes.
