

Violet #1: collaboration (surveys, polls, feedback, testing, brainstorming, evaluation...)

Mentimeter

Share your answers, opinion and feedback

School subject(s): all subjects...

Availability: Google Play Store (Android), Apple Store (iOS)

Costs: none for up to 3 questions at one time, costs for unlimited questions

Usage: online

Description:

- Share your opinion during Mentimeter presentations with the Menti voting app via your smartphone or tablet. Join the session by simply entering the digit code and answer the questions the presenter has prepared for you! No need to register for an account - your opinions stay anonymous.
- Mentimeter enables you to turn meetings, workshops, training, conferences or classes into interactive experiences that are fun for both you and your participants. Create Word Clouds based on your audience's impressions, ask a quick Multiple Choice question to let your audience vote, or energize the entire room with a Quiz competition! More than 25 million people all over the world already use Mentimeter for interactive presentations.
- Included in the free account: - Unlimited audience size even with a free account - which means that everyone can participate
- More than 15 different ways to visualize your audience's input: Open Ended questions, Word Clouds, Q&A, Pie, Donut and Spider charts, among others. Customize the audience interaction to suit your needs!

Evaluation from practical experience:

Easy to handle, great fun, real time feedback
