### Description:

- Offers more than one thousand questions/exercises
- 4 different levels (beginner, elementary, intermediate, advanced – A1 – C2)
- 25 grammatical topics (tenses, adjectives, adverbs, sentence structures etc.)
- 10 different activity types (gap filling, multiple choice, listening, combining etc.)
- Two sections: practice, test
- App can be used in English, Spanish, Japanese and Chinese
- Two different versions: British or American English

### Evaluation from practical experience:

Easy to handle

Can be used for revising grammatical structures at any time of the lesson

At least 15 – 20 minutes needed (for one exercise with approx. 20 questions)

All answers have to be reset before next usage
