# 6 tips for a successful video meeting

Record audio for lesson or feedback

Vocaroo

- Online voice recorder
- Easy-to-use, press the button and start recording
- Share with a link, as a file or post to social media
- vocaroo.com

Want to make Google slides with sound?

❖ Record audio, for example using *online-voice-recorder.com;*

❖ upload audio file to Google Drive folder;

❖ open the slide to which you want to add sound in the presentation;

❖ select *Insert > Audio* and find the correct file;

❖ click *Select* and a sound icon will appear on the slide;

❖ set whether the sound is activated by pressing the icon or automatically.
