

Padlet

A digital canvas to create beautiful projects that are easy to share and collaborate on.

School subject(s): Any

Availability: iOS (iPad and iPhone) and for Android devices as well as on desktop (PCs, laptops and Mac computers).

Costs: Free

Usage: The digital canvas works like a piece of paper. They give you an empty page - a padlet - and you can put whatever you like on it.

Description:

- Ideal for video, images, links, documents, and text.
- Padlets are shared amongst specified users.
- Create custom themes including wallpaper.
- Share via URL, or QR code to download.

Evaluation from practical experience:

- When students have finished an exam, they have been encouraged to note down on a central padlet, all the questions they could remember or found tricky.
- Easy to share amongst peers, good for sharing ideas or best practices.
