

ABOUT EUROPEA EDITORIAL GROUP

Aims and objectives

The Editorial Group is an alliance of a few enthusiastic volunteers responsible for the public relations of EUROPEA, and for managing and supervising our website and all our social media web spaces (Facebook, Wikipedia, Instagram and YouTube).

The most important aims are:

- to promote EUROPEA as an association
- to advertise and disseminate the EUROPEA activities
- to deliver up-to-date information to the membership and to all visitors
- to appeal and attract a wide audience
- to establish and preserve a circle of devoted readers

The main target groups are:

- teachers, professors, experts, decision makers working in Green VET of Europe
- students currently studying in Green VET of Europe, as well as, ex-students, would be-students, young people interested in agriculture
- farmers, entrepreneurs, businessmen, institutions, etc. as possible partners

The Editorial Group has the obligation to continuously report to the Executive Committee and to give an account of the work done during the General Assembly of EUROPEA.
